

December at The One Elm

We only ever serve food we want to eat ourselves. That means the best fresh ingredients: grass-fed, dry-aged British steak from Royal Warrant-holders Aubrey Allen; world-famous Valrhona chocolate for our puddings; pork, chicken, eggs & ice-cream that are all English and free-range. We buy fish based on the best advice on what's sustainable each season & cook with as much British fruit & veg as we can. Honest food, ethically-grown, tasty. Nothing less will do.
